

Préambule

Djob Mvondo

About Me – djobiii2078.github.io

Bonus and Malus during classes

Bonus for some questions

Encourages interactivity

Malus for the following situations

Disrespecting your classmates or me :).

Cheating on your classmates for home works or projects.

Lying to me about a situation

You are my priority, so ...

- What can be **changed**
- what **can't**

We are human beings, so ...

Feel free to ping me about an issue troubling you

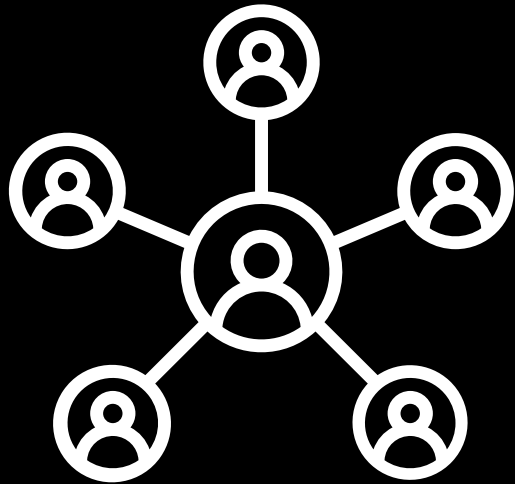

Tell me if I do something that hurts you --- I like jokes

I may not reply to late emails (to keep a professional barrier)

We are here to learn so ask any questions, don't be afraid

If you hurt me, I may hurt you --- I like fights

You are here to learn, find equilibrium ...

Friends/Family

Homework
Studies
Exams

....

Parties

To sum up

Let's have fun

Respect each other

Find the right equilibrium

30mn late --- you don't enter :)
